Surf Life Saving Northern Territory operates under a third party agreement with Surf Life Saving South Australia RTO (40110). All courses are Nationally Accredited Registered Training Organisation number 40110.

### **Why does my booking confirmation and certificate have Surf Life Saving South Australia?**

All course correspondence including your certificate will be labelled Surf Life Saving South Australia as only RTOs can issue nationally recognised qualifications.

### **Do my course fees stay local in SLSNT or go to SLSSA?**

Courses fees are collected for SLSNT to continue to keep our waters safe for the community. Surf Life Saving is a unique not-for-profit charity and community service that exists only through public training courses, community donations, fundraising, corporate sponsorship and government grants.

### **Who is managing my enrolment details?**

SLSNT Education and Training Manager

### **Who supplies the learner support?**

It is the responsibility of SLSNT Education and Training Manager to provide any learner support requirements identified after the commencement of training.
